ADDENDUM NO. 1
Date: August 5, 2010

ITB # 10-0031
Construction of a Groundwater Remedial System at the Astatula Refueling Facility

This addendum is being issued to make the following changes, corrections, clarifications and additions to the bidding document. The information in this addendum modifies and changes the original bidding documents and takes precedence over the original documents. Respondents shall acknowledge receipt of this addendum by completing this form and returning it with the response. Failure to acknowledge this addendum may preclude consideration of the bid proposal award.

1. Alan Kirkland, Public Works Engineer, will be on site at the Astatula Refueling Facility on Monday, August 9, 2010, 10:00 a.m. for any vendors who are interested in visiting the site. Meet Alan at the loop by the fuel station.
2. Here is a link to the updated site drawing that is scaled in 24 x 36 format:
